

Non-Disclosure Agreement

The undersigned agrees as an individual (sub-contractor, employee, journalist, etc.) and/or on behalf of a company or organization (where the undersigned is an authorized signatory) to treat any information relating to AlphaWave Technology Limited’s work in progress, designs, business plans, business opportunities, finances, know-how, personnel or confidential information generated by AlphaWave Technology Limited, or disclosed to AlphaWave Technology Limited by any of its clients, potential clients, sub-contractors, suppliers and other parties, as confidential information.

The undersigned agrees that no confidential information shall be passed, transferred or communicated to any third party unless prior written approval has been given by AlphaWave Technology Limited or that the information is generally known or is available by publication, commercial use or otherwise or is known by the undersigned at the time of disclosure.

This agreement does not relate to information already in the public domain.

The undersigned agrees to return all confidential information including reports, documentation, drawings, models, samples, plans, computer data and copies thereof to AlphaWave Technology Limited on written request from AlphaWave Technology Limited.

All design copyrights, registered designs and patent rights, derived from information given or work undertaken on our behalf are the property of AlphaWave Technology Limited.

The undersigned, if working as a subcontractor or supplier to AlphaWave Technology Limited shall not further subcontract the work unless prior agreement is gained from AlphaWave Technology Limited in writing.
